 Mei-Hwa and All School Task Assignment Plan

Pg 1 of 5

To All Chinese School Members: Students, Parents, Staff, Trustees and Board Members,

Mei-Hwa is the Host School for the May 3rd 2009 Greater Washington Area Chinese School Field Day. We will be working together with all of you to complete the necessary jobs listed in the table below. The majority of these tasks are accomplished by the Host School each year. Some of the special jobs are completed by different other schools each year.

Mei-Hwa thanks all of the schools in advance for providing the necessary setup and judging personnel as well as the vendor coordination and clean-up duties some of you will do this year for a successful Field Day 2009!

Thank you also for showing your support for the Greater Washington Area Chinese Schools by coming this year to have fun, race, cheer, laugh and enjoy time together. This is a wonderful opportunity to support your school, your children and all that we send them to school for!

It is important for everyone to know that we have also purchased the Gymnasiums at Churchill so that ***we will have a Field Day come sun or heavy rain. Therefore, make sure you, your family and other students come, play, race, and have a lot of fun.*** See you May 3rd!

Sincerely,

曹儒伯 Bob Ryan
